## BREAST CANCER AWARENESS CAMPAIGN

Dear Parent,

We are pleased to inform you that our school is organizing a **Breast Cancer Awareness Campaign** for the girls of **Senior classes** and all **Female Staff Members** of the school on **Monday, 28th October 2024** during school hours. This informative session aims to promote awareness and early detection practices, which are vital for maintaining health and well-being.

The session will be conducted by **Dr. Sajitha Sajadh (Specialist Obstetrics& Gynecology, Jabal Sina Medical Centre, Ajman)** - a highly respected medical professional with expertise in women's health. During the campaign, Dr. Sajitha will cover essential topics such as:

- The importance of breast health and self-examinations.
- Recognizing signs and symptoms of potential issues.
- Understanding the significance of early detection.

We believe this is an important opportunity for our students and staff to gain valuable knowledge on a critical aspect of women's health. We encourage all eligible participants to attend.

Warm regards,

Thanking you,  
Yours sincerely,

Dr. S. J. JACOB  
(PRINCIPAL)
