SUSTAINIFY

Dear Parent

Greetings from Al Ameer English School!!!

*The department of Science is organizing “**BEST OUT OF WASTE**” competition focused on science, technology and innovation. This event offers students in **Grades 1-5**, the opportunity to creatively repurpose waste materials into functional and innovative projects, fostering both environmental consciousness and critical thinking. This competition presents an excellent opportunity for students to apply scientific concepts practically while promoting sustainability. We are eager to witness the ingenuity and environmental consciousness of our young scientists and look forward to their creativity.*

*The Competition will be held on **FRIDAY , 6 th September -2024***

Guidelines

- ❖ *To ensure fair evaluation, separate categories will be maintained for boys and girls .*
- ❖ *Students are required to create innovative projects using recycled or waste materials, applying scientific principles in their designs .*
- ❖ *All projects must be prepared at home and brought to school on the day of the competition for submission to the respective science teachers.*
- ❖ *Entries will be judged based on creativity, functionality and adherence to scientific concepts.*
- ❖ *The top three projects in each grade will be awarded with certificates of merit.*

Anticipating your support and co-operation,

Thanking you,
Yours sincerely,

Dr. S. J. JACOB
(PRINCIPAL)
