

ANTI-BULLYING AWARENESS CAMPAIGN

Dear Parent,

Greeting from **Al Ameer English School,**

The safety and well-being of our students is our top priority. We are creating an environment where every child feels safe, respected and free from bullying.

As part of **Anti-Bullying Day**, we are pleased to inform you that **Students Wellness Club** of our school is organizing an **Anti-Bullying Awareness Campaign** for students from **Grade 1- 12** on **Friday, 30th May 2025**.

This initiative is aimed at reinforcing our ongoing efforts to promote a positive, inclusive and respectful school culture. The campaign will include engaging activities such as **Poster-making & Awareness talks** by our selected students to educate and empower against bullying in all its form.

Let us join hands to create a culture of kindness and empathy. Each student deserves to feel safe, valued and supported at school.

With regards

Dr. S. J. JACOB

(Principal)
