ASSET for Grades 3 to 9

Dear Parents,

As the UAE Educational Authorities have mandated Asian Curriculum Schools to take ASSET as the required benchmark assessment across the UAE, all the students from Grade 3 to 9 would need to participate in this external assessment.

ASSET is a unique test that checks the depth of students' understanding on every topic.

Only English, Math and Science is Mandatory for all students.

The fee details for the test is attached with the circular.

HOW DOES YOUR CHILD BENEFIT FROM TAKING ASSET?

1. After the ASSET Test, your child will receive a personalized comprehensive view of his/her performance, in the Student MyBook, along with detailed insights on his/her strengths and areas that need improvement.
2. Your child will also get benchmarked with his/her peers across the country and internationally, to help them understand where they stand, along with targeted practice questions.
3. Students from Grade 5 to 8 achieving scores of 85th percentile and above automatically qualify to participate in the prestigious ASSET Talent Search, a "by invitation only" event backed by some of the top ranking Universities in the US. For more information, please visit www.assettalentsearch.com
4. Students also get the chance to win several awards for their ASSET performance – ASSET Subject topper, UAE National topper and GCC Topper awards are some of the recognitions that they can aim for.

As directed by the UAE Educational Authorities, we are registering our school for ASSET for the academic year 2025- 26.

The tests will be conducted online in the school and test dates will be scheduled in November. Kindly make sure to remit the payment to the class teacher by 22nd September 2025.

Preparation for ASSET: Though ASSET is a test that does not require preparation, students may visit www.agad.in to sign up to receive their grade appropriate questions to familiarize themselves with the type of questions asked in Asset.

Thanking you,
Yours sincerely,

Dr. S. J. JACOB
