National Awareness Campaign to Combat Bullying in School

Dear Parent,

Within the framework of joint cooperation between the Ministry of Education and the Ministry of Interior, and based on the two parties' keenness to promote a safe and stimulating school environment free of negative practices, we would like to inform you that the Ministry of Interior is in the process of implementing the national awareness campaign to combat bullying.

The Campaign's main objectives:

- To spread the culture of giving and public good among students and the community.
- To motivate students to volunteer to combat bullying.
- To promote the concept of empowerment and social responsibility.
- To achieve a national accomplishment that contributes to strengthening the country's global standing.

As part of our **Anti-Bullying Awareness Campaign**, our school will show an awareness video to **all students from Kindergarten to Grade 12 on Monday, 10th November 2025**, during the **CTP period**.

Main Goals:

- **Raise awareness about the dangers of bullying and its psychological and social effects.**
- **Promote the values of tolerance, empathy, and respect among students.**

Together, let's build a kinder and more respectful school community.

Thanking you,
With regards,

Dr. S. J. JACOB
(Principal)
