The School Filtering Policy

Updated on January 2021

Reviewed and approved by:

OSG TEAM

AL AMEER ENGLISH SCHOOL, AJMAN

FILTERING POLICY

- ✓ The school maintains and supports the managed filtering service provided by External Filtering provider.
- ✓ The school has provided enhanced/differentiated user-level filtering through the use of the filtering programme.
- ✓ The filtering system which blocks sites that falls into categories such as pornography, race hatred, gaming, sites of an illegal nature, etc. All changes to the filtering policy are logged and only available to staff, the students and faculty with the approved 'web filtering management' status.
- ✓ In the event of the technical staff needing to switch off the filtering for any reason, or for any user, this must be logged and carried out by a process that is agreed by the Head-teacher/Principal (or other nominated senior leader).
- ✓ Mobile devices that access the school/academy internet connection (whether school/academy or personal devices) will be subject to the same filtering standards as other devices on the school systems.
- ✓ Any filtering issues should be reported immediately to the filtering provider.
- ✓ Requests from staff for sites to be removed from the filtered list will be considered by the technical staff. If the request is agreed, this action will be recorded and logs of such actions shall be reviewed regularly by the Online Safety Group.
