

LITERARY AND DEBATE CLUB

LITERARY AND DEBATE CLUB

The Literary & Debate Club of our CBSE school in the UAE is a dynamic platform that cultivates a passion for language, literature, and oratory among students. The club is dedicated to nurturing critical thinking, creativity, effective communication, and public speaking skills in an engaging and supportive environment.

As a vibrant hub for students who enjoy reading, writing, and speaking, the club offers a wide range of enriching activities such as debates, creative writing, poetry recitations, book reviews, and literary quizzes. These regular events and competitions not only foster linguistic excellence but also promote intellectual curiosity and cultural awareness.

By encouraging constructive dialogue and thoughtful expression, the club empowers students to articulate their ideas confidently and respectfully. It plays a vital role in enhancing analytical and argumentative skills, building self-confidence, and deepening students' appreciation for literature and global perspectives.
