MATHEMATICS/ABACUS CLUB

The Mathematics/Abacus Club is a vibrant community of students passionate about mathematics. Our club aims to promote mathematical awareness, problem-solving skills, and creativity among students. The objectives of the club is to to develop problem-solving skills and logical thinking, to explore real-life applications of mathematics and to foster teamwork and collaboration. So it helps to develop critical thinking and analytical skills, enhances problem-solving abilities and encourages creativity and innovation. The Mathematics Club provides a platform for students to engage with mathematics beyond the classroom, making it a fun and enjoyable experience.
