Dear Parents,

Considering the feedback received from different stakeholders to minimize the traffic at the roundabout and to ensure the safety of the students, we made the following arrangements for the exit of the own transportation students.

Kindly be informed that the boys and their siblings using own transport will be dispersed through the **Boys Section Backside Gate (Near the turf area)**, please collect your wards before 2:45 pm and on Friday before 11:10 am.

However, own transport **GIRLS** will continue to exit through the **FRONT MAIN GATE** and must be collected before 2:45 pm and on Friday before 11:10 am.

KG own transport parents are requested to collect your ward before 12:15 pm through the **FRONT MAIN GATE**, as well.

Kindly note that you can drop off your wards as usual in front of the main gate in the morning.

Your cooperation is highly appreciated in maintaining order and ensuring the safety of all students.

Thanking you,
Yours sincerely,
