SCHOOL MAGAZINE – INVITING CONTRIBUTIONS!!!

Dear Parent

Creativity is a vital skill that the students need to be successful in school and life. Also, it gives children the freedom to explore their surroundings and learn from them. Keeping in view of bringing out their latent talents and innovation, the school has decided to publish the Annual Magazine. The students of all the classes from KG-1 to Grade-12 are invited to participate in the '*Search of Talent*' which will be held next week in the school hours. The students can have prior contemplation on any topic but express themselves only in the school. The expressions can be on any of the following:

- i) Articles or Self-Created Fictional Stories or Poems (English / Hindi/ Malayalam / Arabic/ Urdu)
- ii) Scientific / Mathematical / Historical / Geographical Facts
- iii) Riddles and Puzzles, Jokes of wisdom
- iv) Drawings or Sketches

The selected works will have to be mailed, the details of which will be intimated later.

Kindly encourage your ward to be creative and original.

Looking forward to being cooperative and supportive,

Thanking you
Warm Regards
