

## SPELL BEE PROGRAMME AY 2024

Dear Students & Parents,

We are thrilled to announce the commencement of our Spell Bee Program starting from next week during the library periods. This initiative is a vital part of our language improvement programs aimed at enhancing students' vocabulary and spelling skills. The first ten minutes of each library period will be dedicated to this activity. To facilitate their participation, students are required to purchase a small pocket booklet available at the school store for 2.50 AED. Attached to this circular are the spell bee words for the upcoming six weeks. We encourage students to familiarize themselves with these words in advance. We believe that the Spell Bee Program will be an enjoyable and a fruitful educational experience, significantly contributing to the students' language development. Thank you for your support and cooperation for all the student development programmes.
