

CIR.NO.49/2025 DATE :04/09/2025

Dear Parents,

We are happy to inform you that the Kindergarten Section will be observing **Red Colour Day** to help our little ones identify and appreciate the colour **red**, which symbolizes love, energy, and enthusiasm.

 **Date:** 12.09.25

 **Dress Code:** Red Colour Dress

To make the day exciting and meaningful, we request your kind support in sending the following with your child:

- A **red-coloured fruit or vegetable** (for display and discussion)
- A **red-coloured toy**
- Any **other red object** your child likes

Let us work together to make this colour day a joyful and enriching learning experience for our children.

Thank you for your continued cooperation.

Warm regards,

Dr. Saifudheen P. Hamsa
Principal
