

## **Revised School Timing for Academic Year 2024-25**

CIR 60/05.04.24

Dear Parents,

We are pleased to inform you about a significant change in our school timing for the upcoming academic year 2024-25. Starting from the commencement of the new academic year, our school timing will be as follows:

### **For Grades 1 to 10:**

- **School hours: 7:45 AM to 2:00 PM**

### **For KG Section:**

- **School hours: 7:45 AM to 11:30 AM**

We believe that this revised timing will benefit our students in several ways. By starting school earlier and ending at 2:00 PM for grades 1 to 10, students will have the opportunity to reach home earlier. This adjustment will ensure that they have ample time to relax, complete homework, and enjoy a nutritious lunch at an appropriate hour.

For our KG section, the new timing from 7:45 AM to 11:30 AM is designed to provide our youngest learners with an optimal learning environment while considering their attention span and energy levels.

We are confident that this change will contribute to the overall well-being and academic success of our students. Your cooperation and support in ensuring that your child adheres to the new school timing are greatly appreciated.

Thank you for your understanding and cooperation.

With warm regards,

**Dr. Saifudheen P Hamsa**
