"Innovate, Inspire, Impact"

CR.NO.40 Date 03/11/2024

Dear Parents and Students,

We are delighted to invite you to our **School Exhibition** on **9th November 2024**, from **9:00 am to 1:00 pm**. Join us for an engaging showcase of talent, creativity, and innovation from our school community!

Highlights of the Exhibition:

- **Parents' STEM Exhibition**
Parents are encouraged to participate and present STEM projects, sharing their own creative contributions with our community based on the theme innovation, sustainability and enterprise.
- **Entrepreneur Competition for parents**
In addition to our student participants, we're excited to welcome parents to join the **Entrepreneur Competition**! This is a unique opportunity for parents to share their entrepreneurial spirit and showcase their own business ideas, products, or creations. Parents are welcome to sell their products to visitors during the exhibition.

Parents can register for STEM exhibition and Entrepreneur competition through the below given link.

https://docs.google.com/forms/d/e/1FAIpQLSemKhaoe9vxGyszEan-XVbFKp55dZbBD5O8rQQ2mmJP_Y-JDA/viewform?usp=sf_link

- **Best Idea competition-vision 2031: Science Competition (Grade 6-10)**
As part of our initiative to observe and engage with the “**We the UAE 2031 vision**” students are invited to submit their most innovative ideas in science. The ideas should be submitted on or before 7th November 2024. Winning science ideas will be recognized and awarded for creativity and impact.
- **Science working model competition (Grades 8-10)**
Students are encouraged to create and present working models related to scientific concepts. Best models will be awarded on the basis of creativity, innovation and impact.
- **Young Entrepreneur Competition for Students**
Organized by the **IT and Social Science Departments**, this competition encourages students to showcase entrepreneurial ideas and business solutions. Students are welcome to sell their products to visitors during the exhibition.
- **Sustainability Projects Judgement**
A dedicated segment for projects on environmental sustainability, where innovative and impactful projects will be evaluated and awarded.
- **Subject Stalls**
Departments will set up stalls to exhibit students’ creative projects, models, and artwork from various grades.

We look forward to your enthusiastic participation in making this exhibition a grand success!

Warm regards
Principal
Dr. Saifudheen P Hamsa
