

Date: 22nd May 2025

Dear Parents and Students,

To commemorate the **International Day for Biological Diversity on 22nd May 2025, Science department** has planned a series of engaging activities to raise awareness about the importance of biodiversity and conservation.

The activities will be conducted during the **Zero Period** for the respective grades as per the schedule below:

Grades 1 to 4:

Biodiversity Treasure Hunt – A fun and educational activity to help young students to explore the wonders of biodiversity.

Grades 5 to 8:

Biodiversity- Red Data Book Presentation – Students will present information on endangered species by presenting the Red Data Book.

Grades 9 to 11:

Presentations on Endangered Species – Students will research various endangered species and deliver presentations that focus on the causes of endangerment, current conservation efforts, and possible solutions to protect these species.

We encourage all students to actively participate and come prepared with any materials or research they may need. Let's join hands to protect the rich biodiversity of our planet.

Warm regards,

Principal

Dr. Saifudheen P Hamsa
