Dear Parents,

Re: Introduction of Edubrisk LMS for Enhanced Learning Experience

As part of our ongoing commitment to providing a dynamic and enriching educational environment for our students, we are excited to announce the introduction of the Edubrisk Teaching-Learning Ecosystem / Learning Management System (LMS) for the current and upcoming academic year.

Edubrisk LMS Overview:

The Edubrisk integrated LMS is an innovative online platform designed to enhance the learning experience for students from KG to 10th grade. This user-friendly portal provides students, parents, and teachers with a centralized platform for academic activities and communications related to teaching/learning and tracking and monitoring of student progress.

Key Features of Edubrisk LMS:

1. **Accessible Learning Resources:**

- A comprehensive library of digital resources, including e-books, interactive lessons, and multimedia materials to support classroom teaching-learning.

2. **Interactive Assignments and Assessments:**

- Engaging assignments and assessments designed to reinforce classroom concepts and encourage active participation.

3. **Communication Hub:**

- A centralized communication hub for announcements, important notices, and updates by the teachers related to teaching & learning to students and parents.

4. **Parental Involvement:**

- Dedicated parent portal allowing real-time student progress, access to report cards, and communication with teachers.

5. **Individualized Learning Paths:**

- Adaptive learning features to cater to the individual needs and learning styles of students.

6. **Progress Monitoring:**

- Transparent tracking of academic progress, providing insights into strengths and areas for improvement.

Benefits for Students:

- **24/7 Access to Learning Materials:** Students can access learning resources anytime, anywhere, fostering independent and self-directed learning.
- **Engaging and Interactive Learning:** Multimedia (Visual, Auditory, Reading, and kinesthetic) content and interactive assignments make learning enjoyable and effective.
- **Improved Academic Performance:** The platform is designed to complement classroom teaching, leading to better academic outcomes.

Parental Support:

We encourage parents to actively engage with the Edubrisk LMS to support their child's learning journey. Regularly checking the portal, communicating with teachers, and staying informed about their child's progress will contribute to a collaborative and effective educational experience.

Orientation Session:

To ensure a smooth transition to the Edubrisk LMS, we will be conducting orientation sessions for parents. Details regarding the orientation schedule will be communicated to you shortly.

We are confident that the introduction of Edubrisk LMS will be a valuable addition to our educational ecosystem, providing an enhanced and interactive learning experience for our students.

Should you have any questions or concerns, please feel free to contact the school office.

Thank you for your continued partnership in nurturing a love for learning in our students.

Sincerely,

Dr. Saifudheen P Hamsa
