

CIR.NO.18/2025 DATE :18/05/2025

Dear Parents,

We are happy to inform you that the Kindergarten Section will be observing **Green Colour Day** to help our little ones identify and appreciate the colour **green**, which represents nature, growth, and harmony.

 **Date:**23.05.25

 **Dress Code:** Green Colour Dress

To make the day exciting and meaningful, we request your kind support in sending the following with your child:

- A **green-coloured fruit or vegetable** (for display and discussion)
- A **green-coloured toy**
- Any **other green object** your child likes

Let us work together to make this colour day a joyful and enriching learning experience for our children.

Thank you for your continued cooperation.

Warm regards,

Dr. Saifudheen P. Hamsa
Principal
