

SUMMER ACTIVITY UPDATES 2024- 25

Dear parents,

As the summer holidays approaches, we are excited to announce the schedule and important information regarding the upcoming summer holidays.

Vacation Assignments

To keep students engaged and intellectually active, vacation assignments will be provided. The assignments will be shared by July 5th and submit the same for evaluation by 30th August 2024.

NB: Vacation Assignments will be posted individually to those students who have cleared their fees.

Remedial works

Remedial works will be assigned to students who face challenges in achieving satisfactory academic performance. These works are aimed to strengthen foundational concepts in key subjects for the low achievers.

Eligibility Test (Grade 10)

An eligibility test will be conducted for grade 10 students when the school reopens. The class teacher will inform the portions and the timetable for the test on WhatsApp.

Happy Vacation!

With regards,

Dr. Saifudheen.P. Hamsa

Principal
