

Circular No. 22 Date:04/09/2024

Dear Parents and Students,

We, the Mathematics Department of NIS, are excited to announce that our school will be organizing a **Sudoku Celebration** as part of our efforts to promote critical thinking and problem-solving skills among students. This event will be a fun and educational experience for all participants, encouraging them to challenge themselves and enjoy the art of puzzle-solving.

Please find the details of the programs below:

**Event Details:**

- **Date :** 10/09/2024
- **Time:** 07.45 to 8.35
