

Circular No: 23 Date:04/09/2024

Dear Parents and Students,

We, the **Mathematics Department** of NIS, are pleased to announce that our school will be organizing a **Multiplication Table Competition** for students of grade 2 to 9. This competition aims to enhance the mathematical skills of our students and promote a love for numbers and quick calculations.

Please find the details of the programs below:

- **Date** : 09/09/2024
- **Venue**: Classroom
- **Participants**: Students from Grade 2 to 9

Competition Format:

- The competition will cover multiplication tables
Grade 2 : Till Table 5
Grade 3 : Till Table 8
Grade 4 : Till Table 10
Grade 5 : Till Table 12
Grade 6 : Till Table 14
Grade 7 : Till Table 15
Grade 8 : Till Table 16
Grade 9 : Till Table 18
- Students will be asked to solve multiplication problems within a set time.
- The competition will be conducted in Group rounds, and individual)

Preparation Tips:

- Encourage your child to practice multiplication tables regularly.
- Help them understand patterns in multiplication tables for quicker recall

Warm regards,
Dr. Saifudheen P
Principal
