

## DIAGNOSTIC TEST – 2025-2026

**Cir No 7/ 2025**

Dear parents,

As part of our continuous academic evaluation process, a Diagnostic Test will be conducted for all students from Grades 1 to 10 during this week, according to the schedule provided below. The primary objective of this assessment is to gauge the students' current level of understanding across subjects and to identify areas that may require further support or improvement.

We request your support in ensuring that your child is present during these assessments.
