

OUR BEST PRACTICES & PROGRAMS

Par.02/04.2023

Dear Parents,

Once again Welcome back to the new academic year (2023—2024) and you are shared with some of the School's regular practices and programs. It will come into effect with the new permanent timetable, due by April 24.04.2023.

1. All students may enjoy a creative hour, viz. **Talent Hour** to showcase the talents and skills of every child regularly every week.
2. On every Tuesday, students will do a **spell test** on the given words varying number of words from 40 to 50. The words will be published one week before the test.
3. A Basic **GK Test** for the students of Grades 01 to 05 on important bits information and a Standard GK Test for the students of Grades 6 to 10 on current events will be conducted on every alternate Wednesday. Details will be served later.
4. **My Bank** is a Money Saving System for the students. The students from Grade 04 onward can be the account holders. They use this facility for depositing and withdrawing amounts. There are some students who deposited more than 5000 Dhs per year. Details will be served later.
5. The Diary may give certain guidelines regarding **Home Work, Diet Menu, Class Test Schedule** etc. It will be useful for your child to schedule the daily activities.
6. **Additional Skill Development Programs** : We provide some additional coaching in Karate, Dance, Instrumental Music and Football Coaching during afternoon. Registration forms will be sent during post Ramadan days.
7. **School Diary**: It is a customized one for the convenience of the students and you are requested to go through the details given therein. Guide them how to use it. It will be cross verified by the teachers in turns. Some pages have to be filled by you with the latest details and send back to the class teacher.
8. **New Assessment Practices**: With the revised pattern of the School Assessment Practices in CBSE, we will have 4 Periodic Assessments with duration of maximum 2 months each. However, to ease the students through scaffold-learning, frequent Class test also will be conducted. A complete syllabus with the details of Exam portions will be served soon.
9. **CCE Programme**: Subject Enrichment programs like Projects, assignment, Records, Collection etc. and frequent note book inspection will be continuous in every subject and in every class. The scores that are obtained will be added with the main exams.
10. The Students will be provided the **Activity list** in every month. Encourage them to participate and utilize the chance wherever is applicable.
11. **A weekly plan** will be shared with parents to get the detailed plan of teaching and learning every week including home assignment schedule and strategies.
12. **Student-Run School** and **Student-Run Radio** give an opportunity to enjoy a professional outlook towards the careers as they are involved with different tasks and responsibilities.

With regards and wishes,
Principal/ 15.04.2023
