

MATHS OLYMPIAD

Dear Parents and Students,

To enhance twenty-first-century skills like critical thinking, creativity, problem-solving, etc., The New Indian School Math Department proudly announces **Math Olympiad Round 1**, scheduled to take place from **June 19th to June 21st**. The event aims to ignite our students' passion for mathematics and will feature a challenging written test. All the students from grades 1 to 10 are expected to participate enthusiastically. Winners will advance to the Math Olympiad final round, which will be conducted in October 2024.

Kindly Note

- Participation is open to all students of grades 1 to 10
- Competition will be held during school hours.
- Duration 35 minutes
- Selected students from each class will compete in the final round.

With regards

Dr. Saifudheen P. Hamsa
Principal
