COMMENCEMENT OF SPELL BEE AND GK QUIZ ACTIVITIES

Dear Parents,

We are pleased to announce the commencement of **Spell Bee and GK Quiz activities** for our Kindergarten students as part of our initiative to enhance vocabulary, spelling, and general awareness.

Please note the following details:

- **Spell Bee** will be conducted **only for KG2 students** and will be in **written format**.
- It will be held on the **first, second and fourth Wednesdays** of every month.
- **GK Quiz** will be conducted **orally** for **both KG1 and KG2 students** on the **third Wednesday** of each month.

To support these activities, we request **KG2 students to bring a 100-page 4-lined notebook** to be used exclusively for Spell Bee practice.

The **Spell Bee word list and GK questions for each month will be shared at the beginning of the month** through the class group. This will help you guide your child in preparing for the activities. **Attached to this circular are the spell bee words for the upcoming week(25.6.25).**

We look forward to your cooperation in making these sessions an enjoyable and enriching experience for our young learners.
