

E-MAIL POLICY

Dear Parents and students,

The School provides electronic resources for students from Gr. KG to 10 including School Email accounts to be used to access the G-Suite for Education, which is an integral part of the curriculum. The school's expectations for behavior and language in the use of these Email accounts must be consistent with classroom standards.

The given link takes you to the detailed policy of Email that is administered by the School for its students. Every parent and student are required to acknowledge the School Policy as a mandatory element set by the Ministry of Education. Please click the link and do as directed at the earliest by **07.10.2020**.
