

HEALTH, SAFETY AND WELFARE POLICY

1 Introduction

1.1 The health, safety and welfare of all the people who work or learn at our school will be of fundamental importance. We aim to provide a safe, secure and pleasant working environment for everyone.

2 The school curriculum

2.1 We will teach the children about health and safety in order to equip them with the skills, knowledge and understanding to enable them to live positive, successful and healthy lives. Teachers will take every opportunity to educate children in this regard in the normal school curriculum.

2.2 We will teach children respect for their bodies, and how to look after themselves. Children learn about healthy eating and hygiene. We also will show them how to move and play safely in PE lessons.

2.3 Health and safety issues also arise when we teach care for the environment and awareness of the dangers of litter.

2.4 Our school will promote the spiritual growth and welfare of the children through the special events such as assemblies, workshops and through the daily act of collective worship.

2.5 Each class will have the opportunity to discuss problems or issues of concern with their teacher. Teachers will help children discuss and overcome any fears and worries that they may have. Teachers will handle these concerns with sensitivity.

3 School meals

3.1 Our school will provide the opportunity for children to buy a meal at break. We will do all we can to ensure that the meals provided have a suitable nutritional value.

3.2 If children choose to bring their own packed lunch, we will provide them with a suitable place to eat their lunch, and will supervise them during this time.

4 School uniform

4.1 We will always have a sensitive approach where the issue of regulations regarding uniform conflict with any child's religious or cultural beliefs.

4.2 It will be the responsibility of all teachers to ensure that the school uniform policy is enforced.

5 Security

- 5.1** Trained teachers and trained security personnel will ensure the safety of students at all times.
- 5.2** The K.G. Block will be on the ground floor and all safety standards are maintained, with frequent inspections from the Municipality.
- 5.3** The Boys and Girls will be separate from Grade V onwards.
- 5.4** Necessary fire equipment will be installed and fire and earthquake resistant building material will be used. Drills will be conducted for evacuation procedures. The design of the building will be as per stipulations laid down by the municipality.
- 5.5** CCTV cameras are placed at vantage points to ensure safety of all students and staff on campus.

6 Supervision

- 6.1** Bus drivers and conductors will be trained for safety by the R.T.A. Teachers are in-charge of students in the school bus. The school bus has CCTV recording during transit of trips with students and staff.
- 6.2** Students will be supervised by trained teachers at all times in school and on trips and tours.
- 6.3** Students will be protected at all times by trained teachers. Supervisors will be appointed to look after the students' welfare at every level:-
 - 1) KG I, II – Pre-primary
 - 2) Grade I- II
 - 3) Grade III, IV, V
 - 4) Grade VI-VIII – Girls
 - 5) Grade VI- VIII - Boys
 - 6) Grade IX- XII – Girls
 - 7) Grade IX – XII – BoysSchool rules are mentioned in the Diary.
- 6.4** The Supervisors will be assisted by class teachers and class representatives.
- 6.5** Reinforcement of positive behaviour will be by acknowledgement and a reward system. Discipline will be maintained by closely monitoring students, by a prefectorial system and by punitive measures such as extra assignments for wrong doers.
- 6.6** The Principal and Vice Principal will deal with serious complaints as reported by the Supervisors. Parents will be involved in the correction procedure.
- 6.7** The Faculty will be expected to maintain the highest code of conduct and a zero tolerance policy for any deviations in this regard will be followed. Staff recruitment will be subject to verification of University degrees, medical clearance and criminal records in accordance with Ministry rules.

7 Inculcating Leadership in Students

A leadership program, with a designated coordinator will be initiated. All prefects will be responsible for the successful completion of a project they undertake on a monthly basis.

In addition, students will be elected as class monitors and Bus monitors in rotation, from all classes. Students will be taught to lead, to be responsible, and to work in cohesive groups. The senior Prefectorial body will work closely with the Principal and faculty to express students' concerns, ongoing social service drives and monitor discipline in school.

8 Redressal of Complaints

- 8.1** Parent Teacher Meetings will be scheduled 3 times a year and time is scheduled for every parent to meet teachers and Supervisors with their concerns.
- 8.2** A feedback form will be filled in by every Parent and concerns noted and addressed by the school.
- 8.3** In addition parents can write to any teacher or Supervisor or Principal on the mails and will receive a quick response. They can also ask for an appointment during working hours to express any concern.

- 8.4** Students can voice their concerns during their home-room period, every day to the class teacher or directly speak to the Supervisor in-charge. They can also speak directly to the Vice Principal or Principal if their concerns are not addressed. The counselor is available during school hours for advice and mentoring. Regular feedback is actively sought from students by teachers informally as well as through feedback forms on various issues.
- 8.5** Parents may take an appointment with the teacher concerned or supervisor or with Vice Principal for any issue pertaining to the well being of a child. We solicit regular feedback from parents in writing as well as informally at P.T.M's three times a year. In case of an emergency the parent may contact the Principal. The doctor and nurses address any medical emergency by administering first aid, immediately informing the parent and referring the case to the nearest hospital.
