PISA 2025 Field Trial - Online Parent Questionnaire

Dear Parents,

Greetings !

Kindly be informed that your child has been randomly chosen to participate in the OECD (Organization for Economic Cooperation and Development) **PISA2025 Field Trial** (Programme for International Student Assessment) Program, which will be conducted on wed28th May 2024. PISA is an important educational research project investigating student achievement in Reading, Mathematics, Science and Learning in a Digital World and is the largest international survey of 15-year-old students in the world. PISA is being administered in more than 90 countries and is developed by leading experts from around the world.

PISA 2025 Field Trial includes **Parent Questionnaire** in order to ensure uniformity and consistency of data collection across the country. We, request your cooperation and support in completing the online version of **Parent Questionnaire** as this adds an important dimension to the PISA data by gathering information on a student's past education experiences and home environment. This questionnaire will take about 35 minutes to complete. The Questionnaire should be completed by the students' parent/guardian, or jointly by both parents/guardians prior to the test [before 28th May 2024] . School will send personalized login letters to the parent shortly.

Parents are advised to click on the link to access the Questionnaire, enter their unique Username and password, select the language of their choice, and begin the Questionnaire, which will take about 35 minutes to complete. School will monitor and follow up the of the survey completion via administrative login credential before the assessment day.

We would appreciate it if you would extend your support and active participation in completing the Questionnaire with positive responses not later than 28th May 2024.

Personalized login letter for the completion of the **Parent Questionnaire along with the link** is annexed herewith.
