

AL-AIN AMERICAN PRIVATE SCHOOL

Dear Parents,

Al Ain American School would like to update the outlining and clarifying next steps following the announcement by the National Crisis and Emergencies Management Committee (NCEMA) with the regards to school reopening for the upcoming term. For this to happen and to align with the ever-evolving health situation, Al-Ain American School has to make some changes to the reopening policies according to the updates received from ADEK on the 14 August 2020.

Below are the adjustments to the reopening of the school that was shared earlier:

- Only KG1 to Grade 5 will resume face to face learning (FTF). Parents who have opted for Distance Learning Program for their child(ren) will continue until further notice for the entire Term 1.
- Grade 6 to Grade 9 will remain with the Distance Learning Program for four weeks until further notice and updates from ADEK.
- PCR testing is required for all students of age 12 years and above who will be attending the school for face to face learning (FTF).
- Student Attendance is MANDATORY for face to face learning (FTF) or Distance Learning Program. (refer to our attendance policy)

Please, note the further points which are also expected to be followed and are not negotiable:

- Kindly, purchase all the books and uniforms for your child(ren) as they will be used.
- Students attending school must follow the school bag policy. (refer to our bag policy)
- Students attending Distance Learning Program has to be dressed in school uniform during classes.
- Parents who paid for the bus transportation for their child(ren) in Grade 6-9, will use the transport once they attend the school and no fee will be returned.
- Tuition fee will remain the same as per the ADEK for all grades.

If you have any questions and concerns, please, contact the school administration. We will be happy to assist and guide you. AAAS is hoping to achieve a successful and safe reopening, which is only possible with your support and cooperation.

Kind Regards,
AAAS Admin
