

Counselling

The Middle School and High School has two on-site counsellors to assist students and support the social and emotional needs of our young learners. One for the boys classes, and one for the girls classes. Our Vice Principal is also available upon scheduled meetings to meet the parents and assist in any queries that they have regarding their child's academic and social growth. The three are members of the Middle School and High School Student Support Team to provide support and intervention to identified students.
