

IIS/CIR/041/2021-2022  
07/11/2021

Dear Parents,

***“Greetings from IIS Family”***

This is further to the circular (Ref: IIS/CIR/032/2021-2022) issued in regard to PCR testing facility at school. The school in coordination with Tamouh Health Care LLC, Abu Dhabi has made PCR testing facility available on campus for students on **11th November 2021, Thursday** between **10 am to 2 pm**. This would be beneficial, especially, for online students to attend PA2 Examinations which are scheduled onsite from 14<sup>th</sup> November 2021 for Grade I-IX & XI. Onsite students who are pending to take the PCR test or whose date is due as per MOE guidelines can also avail the facility on the scheduled date.

- The students need to bring their Original Emirates ID and should know their parent's registered mobile number to receive the test report.
- Parents are requested to fill up the below consent form and submit to the respective Class teacher of your ward on 8<sup>th</sup> November 2021 when the ward comes physically.
- Online students can share the same with the respective Class teacher through the Orison portal or WhatsApp broadcast group on or before 8<sup>th</sup> November 2021.

**Note:** The PCR test will be free of cost for the students.

***Stay Safe & Healthy!***
