Grade X - Circular
Two levels of Board Examinations in Mathematics

Dear Parents,
Greetings!

"It was decided by CBSE to hold two levels of Board Examinations in Mathematics for class X from the year 2020 onwards and the same shall not be applicable to the internal assessment in class X. The levels are given below:

First level - Mathematics Standard - the same as existing examination
Second level - Mathematics Basic - an easier examination

The syllabus, classroom teaching and internal assessment for both levels of examination remain the same, only question papers for the Board Examination will be different for the two levels. Based on the above declaration made by CBSE, the school has decided to execute this opportunity as detailed below;

Please note that Mathematics Standard level will be meant for students who wish to opt for Mathematic at Senior Secondary level and Mathematics Basic level for students not keen to pursue Mathematics at higher level.

However CBSE offers an alternative for those who opt Mathematics Basic to appear in Mathematics Standard at the time of compartment examination in case he/she changes his/her mind to pursue Mathematics at Senior Secondary level.

A detailed picture of this declaration can be found in the link provided below and refer the information on Academic Website and click on circulars.

Kindly fill the below acknowledgement form and send to Class Teacher through Portal or WhatsApp on or before 22nd September 2021. After this deadline no further requests on change will be accepted.

Note: Once the parent confirms the level of Mathematics Standard/Basic for his/her ward, it cannot be changed.

Stay Safe & Healthy!

Warm Regards

PRINCIPAL
Ms. Qurat Ul Ain
