Dear Parents,

“Greetings from IIS Family”

Kindly be informed that the next Academic Year 2022-23 is fast approaching for KG students. As your ward is progressing towards the next Grade, from Grade I onwards we follow a Second Language policy which is given below.

Second Language: Hindi/ Urdu/ Malayalam

Parents have to choose one of the above for their ward and the school encourages parents to choose their ward's mother tongue as the student's Second Language. If that is not possible, parents can choose one that is closest to the child's native cultural background. However, the decision is entirely up to the parent and parent's choice will be considered final.

Kindly submit the Acknowledgement Slip to the respective Class Teacher **on or before 28th January 2022.**

Note: There will be no change after selecting the Second Language once it is confirmed and registered in the portal.

Stay safe & healthy !

PRINCIPAL
