Dear Parents,

“Greetings from IIS Family”

Hope you are doing well!

It has been noticed that your wards' fee for Grades X & XII have not been paid till date in spite of several reminders from school. You are therefore requested to clear the outstanding fee on or before **15th April 2022** as CBSE Term 2 Board Examinations 2022 are fast approaching.

We hope that you understand that the school has financial commitments which school needs to ensure for the Board students. Parents are advised to meet the School Authorities – Principal or AO on priority by 15th April 2022.

Parents who have already paid may kindly ignore this message.

Your co-operation and understanding will be highly appreciated in this regard.

Stay safe & healthy!
