Dear Parent,

“Greetings from IIS Family”

Kindly be informed that the school has scheduled an important interaction for the Parents of Board students (Grade X & XII) to appraise them about their ward's performance in Model 1 and other Academic Initiatives taken up by the School.

Please note the below points:

1. The Date for the interaction is **20th January 2023, Friday** and timing will be from **5 pm - 7 pm**. Timing has been kept considering the Parents' convenience after the regular working hours.
2. The Parents' and students' Attendance is compulsory for the interaction as it will be helpful for the students to achieve better results for the upcoming CBSE Board Examination, after meeting their Class & Subject teachers.
3. Students will also get an opportunity to meet Subject teachers and view their Model 1 Examination answer sheets and will get specific feedback from HODs for the areas which need improvement.
4. Class teachers will also brief the Parents about Remedial Program implemented for Grade X & XII students.
5. Grade X Parents will be briefed about the Grade XI admission procedure and the criteria for allotting Science and Commerce stream for the next academic year.

We urge all Board Parents to be present as we expect 100% attendance for the session so that enough support and monitoring will be provided to our students before they appear for CBSE Board Examination, February/March 2023.

Stay safe & healthy!
