Dear Parents,

“Greetings from IIS Family”

The Energy and Resources Institute (TERI) conducts **GREEN Olympiad** project in India and abroad for students and addresses the networking among schools. This program has received support from Ministry of Environment, Forest and Climate Change (MoEF & CC), Central Board of Secondary Education (CBSE), Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS) and other educational boards / trusts over the years. Green Olympiad is also endorsed by UNESCO, New Delhi. TERI’s effort aligns well with the curriculum initiated by **CBSE**. The Olympiad is conducted by Educating Youth for Sustainable Development division of TERI for students of **Grades IV-XII**. This is also in line with the 2030 Agenda for Sustainable Development, adopted by all United Nations Member States. The examination will be conducted in the school during the school hours in the month of **September 2023**.

The format of the Olympiad will be of **multiple choice questions** with **no negative marking**. Questions are woven around environment and sustainability issues related to air, biodiversity, climate change, culture, energy, green skills, waste, water and other contemporary issues with direct linkages to the school curriculum which assesses environment-related sensitivity of the students.

Certification:

All participants will receive a certificate of participation and the students who excel in the Examination will get Merit or Distinction Certificate depending on their individual performance. **The certificates are endorsed by Ministry of Environment and Forests, Government of India.**

If you are interested for your ward to participate in the Olympiad, please fill the **Acknowledgement Slip** below and submit to the respective Class teacher along with a **registration fee of AED 22** on the Open house day which is scheduled on **10th June 2023**.

Stay Safe & Healthy!

PRINCIPAL
Ms. Qurat Ul Ain
