IIS/CIR/051/2023-2024
20/06/2023

Dear Parents,

"Greetings from IIS Family"

We are pleased to announce **School Digital Fest 2023-24**, an annual Tech Project Expo by innovative students to showcase their coding and designing skills, which will be held in the month of **September 2023**. To give interested students a good opportunity to prepare for this, we encourage them to think and work on their chosen projects from now on.

Below are the details of the competition and the participating categories as well.

Competition Type	Group/Individual
Tech Talk (Category 1,2 ,3 & 4)	Individual (presentation and talk)
Websites/Web/Mobile Apps (Category 2, 3 & 4)	Group/Individual (Web hosting should be done before the competition)
Games (Category 1,2 ,3 & 4)	Group/Individual(use scratch/ python etc)

Students who can participate

Category 1	Students of Grades 1,2
Category 2	Students of Grades 3,4,5
Category 3	Students of Grades 6,7,8
Category 4	Students of Grades 9,10,11,12

Note:

- A student can register only for one competition event (Group/Individual).
- Maximum number of participants in a Group event is 3.
- The interested students can register for this competition through Cyber Square LMS on or before **30/8/2023.** The tutorials on how to do the registration will be shared by the class teacher.
- Students can commence their project work during the Summer vacation and submit for the first level screening which will be conducted in the first week of September 2023 in which students should demonstrate 100% completion of their projects.
- Further details will be informed to the registered students later.

Thank you for your cooperation & understanding.

Stay safe & healthy!
