

IIS/CIR/003/2024-2025

23/04/2024

Dear Parents,

***“Greetings from IIS Family”***

As we are getting back to normal conditions post the weather instability, by taking all the precautionary measures, the school will follow the below guidelines w.e.f tomorrow, 24<sup>th</sup> April 2024.

Parents are advised to follow the below instructions carefully:

- The school will **reopen onsite** for **KG – XII, Existing & New students** w.e.f tomorrow, 24<sup>th</sup> April 2024. Attendance of all students is compulsory.
- Parents of Bus & OT students who are still affected by rain must intimate their ward's respective Class teachers the reason of absence. After proper scrutiny and analyzing the genuinity of the cases, the students' absence will be authorized and they can avail holiday on 24<sup>th</sup> April 2024. Class teachers will be sharing the teaching notes, assignments, worksheets, etc through the communication channels (portal & whatsapp broadcast group) to the absentee students. Once the water logging is cleared in the areas which are still affected, the students are expected to report back onsite. We expect the parents to keep effective communication with the concerned Class teacher & Section Head in regard to this matter so that we receive all the students in the campus safely.
- We request all the parents to go through the reopening circular issued earlier (Ref. no. IIS/CIR/180/2023-2024) to get all the detailed instructions and guidelines regarding reopening.
- We urge all the parents to go through the below link in regard to post rain instructions from EHS to be followed strictly and ensure, in case students are sick, they should not be sent to school and can apply for Sick Leave which will be approved by the school.
- Link: <https://bit.ly/4dcwlh4>

We seek your understanding & cooperation in this regard.

***Stay safe and healthy!***
