

IIS/CIR/130/2023-2024
15/01/2024

Dear Parents,

“Greetings from IIS Family”

It's our great pleasure to inform you that the school has decided to conduct "**INNOVATION DAY**" for **KG – IX & XI** on **1st February 2024** in the school campus during school working hours. This event will provide students with an opportunity to explore new ideas, experiment with new technologies and come up with innovative solutions to the world problems.

Parents are requested to note the below guidelines:

- Students can prepare the innovative projects (Working/still) integrated to the subjects Science, Maths and IT and can include SDG & COP28 initiatives in their project.
- The project has to be innovative in all the aspects and students must refrain from presenting the same projects presented for usual STEM exhibition.
- Participation is individual.
- The competition is class wise and there will be an internal selection.
- Students will get **Best Innovator Award** for the 1st, 2nd & 3rd positions.
- Interested students can give their names to their respective class teachers **on or before 18th January** for the selection.

The following criteria will be used to evaluate the exhibit:

1. Creativity and imagination
2. Originality and innovativeness
3. Scientific thought / principle
4. Relevance to society
5. Presentation/Technical skills.

Parents are requested to encourage participation of their wards in the event to make the **Innovation Day** a grand success.

Stay safe & healthy!
