Dear Parent,

We like to inform you that we have integrated the school bus tracking application 'Big Yellow Bus Pro' into the Habitat Parent App. You will get notifications about your ward's onboarding and off boarding in the school bus or school gate on your mobile once you install the 'Big Yellow Bus Pro' application.

Go to the 'Locator & Navigator' menu in the Habitat Parent App → Click on the Download button to download and install the 'Big Yellow Bus Pro' App. Once installed, re-open the Habitat App and then choose the Locator & Navigator menu to load the 'Big Yellow Bus Pro' App.

Parent Guideline for using the app, please click here: <https://bit.ly/3Q8qQpZ>
