IIS/CIR/018/2024-2025
03/06/2024

Dear Parents,

"Greetings from IIS Family"

Kindly be informed that there will be CAT4 Assessment for **Grades III, V, VII and IX** which is mandated by Ministry of Education, UAE. **The Cognitive Abilities Test (CAT4)** is a diagnostic assessment that is designed to help students and their teachers understand how they learn and what their learning aptitudes might be. It assesses how students think in areas that are known to make a difference in learning. CAT4 is designed to give schools a much broader, more rounded off view of each child, their potential and how they learn. Results help teachers decide about the pace of learning that is right for a student and whether additional support or challenge is needed. The Assessments are planned during the **school working hours** from **5th – 10th June 2024** and the schedule of CAT4 for the respective Grades will be shared by the Class teacher through the WhatsApp broadcast group shortly.

Kindly be aware that CAT 4 is an assessment of developed ability and academic potential so there is no need of extra or special preparation on part of the student.

Note: All the students of Grade III, V, VII and IX must attend the CAT4 Exams as students' attendance for CAT4 is mandatory.

Your cooperation will be highly appreciated in this regard.

Stay safe & healthy!
