

IIS/CIR/011/2024-2025

25/05/2024

Dear Parents,

“Greetings from IIS Family”

Kindly be informed the school will be offering **Physical Activity Trainer (PAT)** as a 6th subject for **all Grade XI students** from AY 2024-25 onwards. This decision is also in accordance with the CBSE notification CBSE/Coord/PS/(e-113153)/2023/ dated 30.11.2023 regarding calculation of percentage for Classes X & XII in the CBSE Board Examinations. With the introduction of PAT as the 6th subject, the school expects maximum students to be benefitted from it, by increasing the possibility of attaining a higher overall percentage/ aggregate in the upcoming Grade XII Board Examinations.

Kindly note:

- All the Grade XI students from Science and Commerce stream will be introduced to PAT as a 6th subject in AY 2024-25.
- There will be assessments for the subject for PAs & SAs and the assessment dates will be notified shortly.
- The school has qualified & experienced faculties for handling the subject and to provide the required support & training to all the students.

Stay safe and healthy!
