

IIS/CIR/004/2024-2025

01/05/2024

Dear Parents,

“Greetings from IIS Family”

Due to the prevailing unstable weather conditions in the country and as per the directives of MOE for ensuring the safety of students and staff, the school will be shifting to **online mode** of learning for **two days – 2nd & 3rd May 2024 (Thursday & Friday)** for **all KG – XII students**. The school will follow regular timing as per the timetable for online classes from KG2 to Grade XII and reduced timing for KG1. Links for the online classes will be shared with the parents shortly by the respective class teachers.

We seek your support and cooperation in this regard for the smooth functioning of the school.

Stay safe and healthy!
