Dear Parents,

“Greetings from IIS Family”

International Future Bootcamp in Finland – Enroll Now!

The future belongs to those who are **prepared today!** We are thrilled to offer your child an **unparalleled opportunity** to be part of a **one-week, high-impact International Future Bootcamp in Finland** which contributes to the development of right mindset, skills and career planning for future. The program is jointly developed by the **University of Helsinki**, the number 1 university in Finland and **Lifology**, the Guinness World Record holding and Times Award winning organization.

We believe that this is more than just a trip—it’s a **transformational experience** that will shape their **mindset, skills, and vision for the future.**

Why This Program?

-  **Global Readiness** – Students will be immersed in **cutting-edge learning environments** that foster adaptability, leadership, and future-ready skills.
-  **Unmatched Exposure** – Learn from **renowned global mentors**, visit **world-class innovation hubs**, and engage in **activity-driven learning** like never before.
-  Visit **Finland and Estonia**, two nations which are famous for Education, Innovation, Technology Adoption and Future Readiness.
-  **Career & Life Skills Development** – Curriculum 2030, designed by **the University of Helsinki and Lifology**, ensures a robust foundation in **mindset, skills, and career visioning.**
-  **Exclusive Certification** – A globally recognized certificate from **the University of Helsinki’s Center for Continuing Education (HY+)**, giving your child an academic edge.
