**Annexure 1:**

CBSE/Director (Academics)/2025  
Circular No:-Acad-82/2025

Date: 30<sup>th</sup> October 2025

To,  
The Heads and Managers of CBSE Schools registered for SAFAL 2025-26.

**Subject:** Structured Assessment for Analyzing Learning (SAFAL) - 2025-26

SAFAL: Structured Assessment for Analyzing Learning (SAFAL), a competency-based diagnostic assessment as per the recommendation of the National Education Policy (NEP) 2020 at para 4.40, was launched by CBSE in its affiliated schools in July, 2021.

The following points should be noted for effective conduct of this assessment:

1. SAFAL is a diagnostic assessment aimed at assessing the achievement of competencies by learners. This is neither a competition nor a qualifying/certification exam. The primary purpose of SAFAL is to diagnose the areas where more efforts are required for quality teaching-learning in the school.
2. As SAFAL is a competency-based assessment, no extra class or specific preparation is needed. Classroom teaching that is competency focused and learner centric is sufficient.
3. Only the school-level competency reports will be given to all participating schools. Schools will be able to see only their own report without any comparison with any other school.
4. The school level reports of SAFAL assessments will not be made public and will not be shared with any other school. This will be done to ensure that the results remain confidential and the school is able to extract maximum benefit from the results and feedback provided through the SAFAL reports.
5. Thus, SAFAL is a tool for assessment of the teaching-learning practices at schools and should be taken with this spirit only.
6. It is the responsibility of the school authorities to ensure that the SAFAL assessment is conducted in their schools with utmost sincerity and integrity, as per standard operating procedures and guidelines for SAFAL provided by the Board from time to time.
7. It is highlighted that the technical foot-prints will be on record during the administration of this assessment and data scrutiny will be carried out.
8. We look forward to your continued support for this prestigious project.

Director (Academics)
