Dear Parents,

“Greetings from IIS Family”

The School is planning to start an exceptional academic programme for its students appearing for **Grade X & XII** CBSE Board Examination, 2026-2027. The program is titled as **“IIS Tutorship Programme”** and will run in the months of **December 2025**. This program benefits the students to a great extent as Tutors are providing extra academic support which will help students to perform better in upcoming Model & CBSE Board Exams 2026. The objective of the program is to prepare and equip students to write the CBSE board exams well and be able to achieve better results.

Parents are advised **not to plan any travels** for the students during the Tutorship Program and any such academic programs initiated by the school, unless it is a **medical reason or any other emergency**. Further details regarding the schedule and structure of the programme will be shared shortly.

Stay Safe & Healthy!
