Dear Parents,

### **HEARING SCREENING FOR GRADE 1**

In line with the directives from the Ministry of Health, Ajman, and as part of the national school health screening program, we kindly request your cooperation in completing essential health checks for your children.

#### **PURPOSE OF SCREENING:**

The primary objective of this initiative is the early detection of any health or developmental concerns, enabling timely intervention and ensuring our Students receive the best support for their overall well-being and academic success.

It is mandatory to do the hearing screening for all Grade 1 students.

Kindly arrange for your child to undergo the hearing screening at a medical center of your choice. Submit a copy of the test report to the class teacher on or before 30 September 2025.

Thank you for prompt attention to this matter.
