

IIS/CIR/143/2025-2026

26/01/2026

Dear Parents,

“Greetings from IIS Family”

Kindly be informed that, in our effort to explore innovative learning platforms beneficial to students, the school is pleased to offer complimentary access to the **Blulines Learning App** for students of **Grades 8, 9, and 10**, valid until **20 March 2026**.

About Blulines:

Blulines is an innovative platform designed to support students with:

- Short, high-impact video lessons (under 5 minutes per topic)
- Content aligned with previous board questions and textbook exercises
- Live classes, doubt-clearing support, and performance tracking
- Non-disruptive, school-aligned learning support

This initiative will allow students to explore the platform, revise concepts effectively, and benefit from its academic support features, especially with upcoming Annual and Board exams. Feedback will be collected from students after the trial period to evaluate the platform's usefulness.

How to Access the App:

1. Download the Blulines app: <http://pages.blulines.in/download>
2. Sign up using Google/Apple ID.
3. Create your Blulines account by entering **Mobile Number, State, Email, Name, Class, and Board**.
4. Use the **Referral Code: HABITAT** to activate free access.
5. Students may begin using the app immediately after registration.

We encourage all students of Grades 8, 9, and 10 to make full use of this opportunity to strengthen their learning and exam readiness.

Stay safe & healthy!

PRINCIPAL
Ms. Qurat Ul Ain
