

IIS/CIR/046/2026-2027

09/06/2026

Dear Parents,

“Greetings from IIS Family”

Kindly be informed that, as per the **CBSE competency-based framework and the National Curriculum Framework for School Education (NCFSE) 2023**, Advanced Science and Mathematics are offered as optional subject choices for this **Academic year 2026-2027**. In this regard, the school will conduct an **Online Orientation Programme for the parents & Students of Grade IX (Boys and Girls)** to provide detailed information.

Topic:

Introduction to Advanced Science and Mathematics Subjects as Optional Choices for Senior Secondary Grade IX.

Objectives of the Orientation:

1. The orientation will provide an overview of the curriculum, learning outcomes, assessment patterns, and the expectations associated with these advanced courses, enabling parents and students to make informed subject choices
2. To explain the academic expectations and rigor of each subject.
3. To help parents make informed decisions based on their child's aptitude, interest, and academic performance.
4. To provide information on future academic and career pathways available after Grade X. To address parents' queries and concerns regarding subject selection

Programme Details:

- **Date:** Wednesday, 10th June 2026
- **Time:** 3:30 p.m. to 4:30 p.m.
- **Mode:** Online (Zoom Platform)
- **Participants:** Parents of Grade IX students only.
- **Zoom meeting links :** Will be shared by respective class teacher

Note: Parents are advised to attend the session as per the date and timing. Attendance is compulsory.

We look forward to your participation.
