Dear Parents,

“Greetings from IIS Family”

In line with the vision of the Ministry of Education to develop linguistic skills and promote value-based education for children in their **Foundational years/Kindergarten**, and in an effort to reinforce national identity and instill pride in the Arabic language from an early age, we would like to inform you of the launch of the Mandatory Teaching Subjects for Arabic Language, Islamic Education, and Social Studies for children in the Kindergarten stage in private schools, effective from the academic year 2026–2027.

Parents are advised to note the below Guidelines :

- KG2 students will be offered **3 additional Ministry subjects**: Arabic, Islamic Studies/Life Skills, and Social Studies.
- **Life Skills** will be offered to students who do not opt for Islamic Studies. Under Life Skills, the **Wings curriculum** will be implemented.
- With the addition of new subjects, **school timings will be extended from 7:30 AM to 12:00 PM** for the new academic year 2026–2027.

For any doubts or further clarification, parents may **contact the class teacher or section head** at the earliest.

Your cooperation will help us ensure smooth planning and implementation of the curriculum for the new academic year.

Stay safe & healthy!
