## Policy on Safe use of Social Media

Staff, parents and students of International Indian School are invited and encouraged actively participate and share their inputs and feedback about the school on its official social media pages, including YouTube, Facebook, Instagram and Google Business Pages. It will be taken and considered with utmost respect and will be reported to the concerned departments for further actions. *The school* recognises the numerous benefits and opportunities which a social media presence offers.

However, there are some risks associated with social media use, especially around the issues of safeguarding, bullying and personal reputation. This policy aims to encourage the safe use of social media by *the school*, its staff, parents, carers and children.

### **Scope**

This policy is subject to the schools Codes of Conduct and Acceptable Use Agreements.

#### **This Policy**

- Applies to all staff and to all online communications which directly or indirectly, represent the school.
- Applies to such online communications posted at any time and from anywhere.
- Encourages the safe and responsible use of social media through training and education
- Defines the monitoring of public social media activity pertaining to the school

The school respects privacy and understands that staff and pupils/students may use social media forums in their private lives. However, personal communications likely to have a negative impact on professional standards and/or the school's reputation are within the scope of this policy.

Professional communications are those made through official channels, posted on a school account or using the school name. All professional communications are within the scope of this policy.

Personal communications are those made via a personal social media accounts. In all cases, where a personal account is used which associates itself with, or impacts on, the school, it must be made clear that the member of staff is not communicating on behalf of the school with an appropriate disclaimer. Such personal communications are within the scope of this policy.

Personal communications which do not refer to or impact upon the school are outside the scope of this policy.

Digital communications with pupils/students are also considered. Staff may use social media to communicate with learners via a school social media account for teaching and learning purposes but must consider whether this is appropriate and consider the potential implications.

## Organisational Control

### Roles & Responsibilities

- **School Leadership Team**
  - School Leadership Team facilitates training and guidance on Social Media use to all staff who directly get involved in managing or moderating the accounts.
  - Social Media Policy also is developed by the School Leadership Team
  - In case of occurrence of any incidents, a report will be forwarded from the lower level to SLT where they investigate on the reported event.
  - Once the incident is reported, they will make an initial assessment including appropriate staff and if required will call for the support of an external agency.
  - At the time of creation of new social media accounts, School Leadership Team should receive a completed applications for Social Media accounts.
  - School Leadership Team approves the Approve account creation
- **Administrator/Moderator**
  - Administrators or Moderators creates the account following approval from School Leadership Team
  - Account details are stored securely and are shared only with persons who a directly getting involved in account management and moderation.
  - Administrator monitor the contribute content to the account
  - Control the process for managing an account after the lead staff member has left the organisation (closing or transferring)
- **Staff**
  - Know the contents of and ensure that any use of social media is carried out in line with this and other relevant policies
  - Staff attend required trainings which are appropriate for managing social media accounts
  - Staff regularly monitor, update and manage content he/she has posted via school accounts

### Process for Creating New Accounts

If School feels that creating a social media account will help them in their work like a page or group for a department, in any social media platforms, they must present a business case to the Leadership Team which covers the following points: -

- The aim of the account
- The intended audience
- How the account will be promoted
- Who will run the account (at least two staff members should be named)
- Will the account be open or private/closed

Following consideration by the School Leadership Team an application will be approved or rejected. In all cases, the SLT must be satisfied that anyone running a social media account on behalf of the school has read and understood this policy and received appropriate training. This also applies to anyone who is not directly employed by the school, including volunteers or parents.

## Monitoring

School accounts are monitored on daily basis. Any comments, queries or complaints made through those accounts are given response within 24 hours, even if the response is only to acknowledge receipt. Regular monitoring and intervention is done if any inappropriate behaviour arises on a school social media account.

## Behaviour

- The school requires that all users using social media adhere to the standard of behaviour as set out in this policy and other relevant policies.
- Digital communications by staff must be professional and respectful at all times and in accordance with this policy. Staff will not use social media to infringe on the rights and privacy of others or make ill-considered comments or judgments about staff. School social media accounts must not be used for personal gain. Staff must ensure that confidentiality is maintained on social media even after they leave the employment of the school.
- Users must declare who they are in social media posts or accounts. Anonymous posts are discouraged in relation to school activity.
- If a journalist makes, contact about posts made using social media staff must follow the school media policy before responding.
- Unacceptable conduct, (e.g. defamatory, discriminatory, offensive, harassing content or a breach of data protection, confidentiality, copyright) will be considered extremely seriously by the school and will be reported as soon as possible to a relevant senior member of staff, and escalated where appropriate.
- The use of social media by staff while at work may be monitored, in line with school policies. The school doesn't permits reasonable and appropriate access to private social media sites. For suspected cases of such uses disciplinary action may be taken
- The school will take appropriate action in the event of breaches of the social media policy. Where conduct is found to be unacceptable, the school will deal with the matter internally. Where conduct is considered illegal, the school will report the matter to the police and other relevant external agencies, and may take action according to the disciplinary policy.

## Legal Considerations

- Users of social media should consider the copyright of the content they are sharing and, where necessary, should seek permission from the copyright holder before sharing.
- Users must ensure that their use of social media does not infringe upon relevant data protection laws, or breach confidentiality.

## Handling Abuse

- When acting on behalf of the school, handle offensive comments swiftly and with sensitivity.
- If a conversation turns and becomes offensive or unacceptable, school users should block, report or delete other users or their comments/posts and should inform the audience exactly why the action was taken
- If you feel that you or someone else is subject to abuse by colleagues through use of a social networking site, then this action must be reported using the agreed school protocols.

## Tone

The tone of content published on social media should be appropriate to the audience, whilst retaining appropriate levels of professional standards. Key words to consider when composing messages are:

- Engaging
- Conversational
- Informative
- Friendly (on certain platforms, e.g. Facebook)

## Use of Images

School use of images can be assumed to be acceptable, providing the following guidelines are strictly adhered to.

- Permission to use any photos or video recordings should be sought in line with the schools digital and video images policy. If anyone, for any reason, asks not to be filmed or photographed then their wishes should be respected.
- Under no circumstances should staff share or upload student/pupil pictures online other than via school owned social media accounts
- Staff should exercise their professional judgement about whether an image is appropriate to share on school social media accounts. Students/pupils should be appropriately dressed, not be subject to ridicule and must not be on any school list of children whose images must not be published.
- If a member of staff inadvertently takes a compromising picture which could be misconstrued or misused, they must delete it immediately.

## Personal Use

- **Staff**
  - Personal communications are those made via a personal social media accounts. In all cases, where a personal account is used which associates itself with the school or impacts on the school, it must be made clear that the member of staff is not communicating on behalf of the school with an appropriate disclaimer. Such personal communications are within the scope of this policy.
  - Personal communications which do not refer to or impact upon the school are outside the scope of this policy.
  - Where excessive personal use of social media in school is suspected, and considered to be interfering with relevant duties, disciplinary action may be taken
  - The school permits reasonable and appropriate access to private social media sites.
- **Pupil/Students**
  - Staff are not permitted to follow or engage with current or prior pupils/students of the school on any personal social media network account.
  - The schools' education programme should enable the pupils/students to be safe and responsible users of social media.
  - Pupils/students are encouraged to comment or post appropriately about the school. Any offensive or inappropriate comments will be resolved by the use of the schools' behaviour policy

- **Parents/Carers**
  - If parents/carers have access to a school learning platform where posting or commenting is enabled, parents/carers will be informed about acceptable use.
  - Parents/Carers are encouraged to comment or post appropriately about the school. In the event of any offensive or inappropriate comments being made, the school will ask the parent/carer to remove the post and invite them to discuss the issues in person. If necessary, refer parents to the schools' complaints procedures.

## **Monitoring Posts about the School**

- As part of active social media engagement, it is considered good practice to pro-actively monitor the Internet for public postings about the school.
- The school should effectively respond to social media comments made by others according to a defined policy or process.

## **Appendix**

### **Managing your Personal Use of Social Media**

- “Nothing” on social media is truly private
- Social media can blur the lines between your professional and private life. Don't use the school logo and/or branding on personal accounts
- Check your settings regularly and test your privacy
- Keep an eye on your digital footprint
- Keep your personal information private
- Regularly review your connections – keep them to those you want to be connected to
- When posting online consider; Scale, Audience and Permanency of what you post
- If you want to criticise, do it politely.
- Take control of your images – do you want to be tagged in an image? What would children or parents say about you if they could see your images?
- Know how to report a problem

### **Managing School Social Media Accounts**

#### The Do's

- Check with a senior leader before publishing content that may have controversial implications for the school
- Use a disclaimer when expressing personal views
- Make it clear who is posting content
- Use an appropriate and professional tone
- Be respectful to all parties
- Ensure you have permission to 'share' other peoples' materials and acknowledge the author
- Express opinions but do so in a balanced and measured manner
- Think before responding to comments and, when in doubt, get a second opinion
- Seek advice and report any mistakes using the school's reporting process
- Consider turning off tagging people in images where possible

### The Don'ts

- Don't make comments, post content or link to materials that will bring the school into disrepute
- Don't publish confidential or commercially sensitive material
- Don't breach copyright, data protection or other relevant legislation
- Consider the appropriateness of content for any audience of school accounts, and don't link to, embed or add potentially inappropriate content
- Don't post derogatory, defamatory, offensive, harassing or discriminatory content
- Don't use social media to air internal grievances

**Grade:**

At International Indian Schools, occasionally we may take photographs of students, teachers and staff as part of activities, programmes or for record purposes. These photos and videos are used on display boards or screens, brochures, prospectus, school website and on official social media platforms.

If we use the photos of individual students, teachers or staff, we will not use the name of that individual in caption or in any text accompanying it. In case of including the name of an individual, we will not use their photos to accompany that article.

In cases or any awards or records of achievement, we will publish photos or videos only with the consent of the staff or the parent. Photographs of individuals, groups or classes of children may appear in these records.

From time to time, our school may be visited by the media team who will take photographs or film footage of a high profile event. Children may appear in these images, which will sometimes be published on school websites, social media pages including Facebook, Instagram and Twitter.
